

Science & Health

Faculty Snapshot

6
Schools

- Biotechnology
- Chemical Sciences
- Physical Sciences
- Nursing & Human Sciences
- Mathematical Sciences
- Health & Human Performance

4
National Research Centres

- National Centre for Plasma Science & Technology
- National Centre for Sensor Research
- National Institute for Cellular Biotechnology
- National NanoBioanalytical Research Facility

2
Large Scale Externally Funded Projects

- International Centre for Neurotherapeutics
- Biomedical Diagnostics Institute

2
University Designated Research Centres

- Centre for Preventative Medicine
- Centre for the Advancement of Science Teaching and Learning

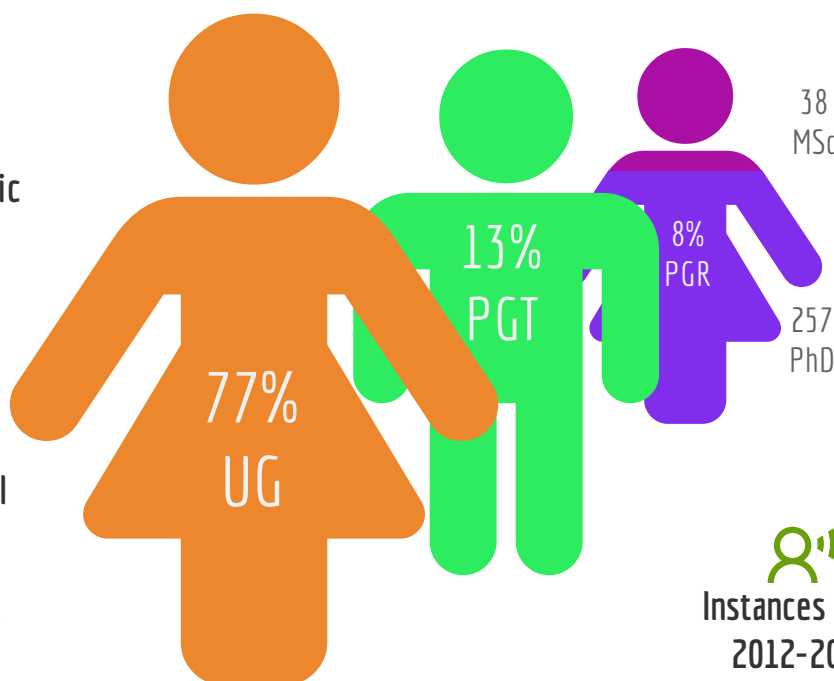

3600 Students

- 22 Undergraduate Taught Programmes
- 15 Postgraduate Taught Programmes
- 7 Research Programmes

Staffing

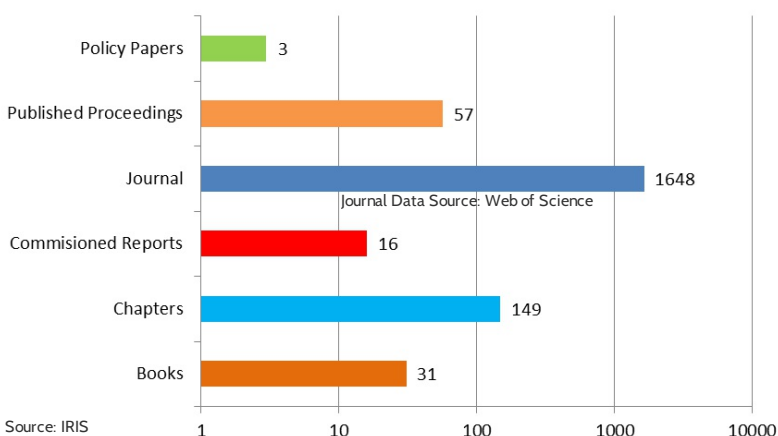

- 154 Academic
- 114 PD Researchers
- 27 Technical
- 29 Support Staff

2%
