Masters Engineering Qualifier Course, Continuous, Full-Time

ATTENTION STUDENTS WHO ARE REGISTERING IN SEPTEMBER: You must register for ALL modules that you intend to complete in the current academic year (each academic year has its own registration process cycle).

ATTENTION STUDENTS WHO ARE BEGINNING THEIR PROGRAMME IN JANUARY: Register for Semester 2 modules ONLY.

Prior to proceeding with registration for the Masters in Electronic & Computer Engineering, please [visit](#) the School of Electronic Engineering postgraduate module selection.

REQUIREMENTS: Candidates who are registered on the Masters Qualifier Programme may transfer to the MECE Masters programme following successful completion of any four taught modules. Transfer requires that a minimum mark of 40% on Level 9 modules and a minimum mark of 50% on Level 8 modules is achieved.

You may choose a MAXIMUM of 30 credits of Level 8 modules as part of your complete set of eight modules for fulfilment of the Masters programme requirements. Full-time Masters Qualifier students may take four modules per semester.

****It is your responsibility to ensure that you register correctly****
