Masters in Electronic & Computer Engineering, Continuous

Please only register for Modules you have not already completed, and intend to complete this year.

ATTENTION STUDENTS WHO ARE BEGINNING THEIR PROGRAMME IN JANUARY: Register for Semester 2 modules ONLY. Do not register for the Masters Project module.

ATTENTION STUDENTS WHO ARE REGISTERING IN SEPTEMBER: You must register for ALL modules that you intend to complete in the current academic year (each academic year has its own registration process cycle).

ATTENTION FLEXIBLE/PART-TIME STUDENTS: DO NOT register for a Masters Project module in your first year of study.

Prior to proceeding with registration for the Masters in Electronic & Computer Engineering, please visit the School of Electronic Engineering postgraduate module selection.

Please [click here](#) to view your module options.

****It is your responsibility to ensure that you register correctly****
